

# NRCS ENERGY INITIATIVE: A **BRIGHT** IDEA

## TECHNICAL AND FINANCIAL ASSISTANCE NOW AVAILABLE

Financial and technical assistance is now available through the Environmental Quality Incentives Program (EQIP) for producers interested in conserving energy on their property. The On-Farm ENERGY INITIATIVE assists producers in developing an agricultural energy management plan (energy audits). Producers may also receive assistance to implement the following energy efficiency measures:

IRRIGATION WATER  
MANAGEMENT

FARMSTEAD  
IMPROVEMENTS

TILLAGE  
MANAGEMENT

PUMPING PLANT  
IMPROVEMENTS

...and more!

CONTACT YOUR LOCAL FIELD OFFICE TO LEARN MORE ABOUT THE EQIP ENERGY INITIATIVE.
